

Quilt from the Back Kit™

HQ AMARA QM29252

HQ FORTE QM29253

Compatible with HQ Amara™ and HQ Forte™ longarm machines.

Two ways to Quilt from the Back

Pantographs are printed paper templates that are traced using the laser light that is included in the kit.

Groovy Boards are durable, plastic templates that are traced with a Groovy Board Stylus (available separately).

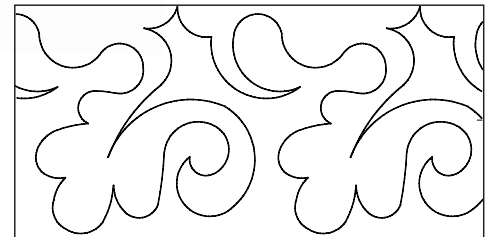

Both are great ways to achieve precise edge-to-edge patterns.

Use the Quilt from the Back Kit to quilt with pantographs and groovy boards.
